An Icon of Excellence: To Value and Be Valued

TPS/20/2016

11 August 2016

Dear Parents/Guardians,

Strategic Thrust 1: Achieving Academic Excellence **2016 PSLE Oral Examination**

The PSLE Oral examination will be conducted on **Thursday 18 August and Friday 19 August**. All Primary 6 pupils are required to come to school on the two days according to the reporting time given in their reminder slips. P6 pupils with Mother-Tongue exemption and pupils taking other MT such as French, German and Thai will only report to school on one of the two days.

Please note that **P1 to P5 pupils need not report to school on these two days**. School work will be assigned accordingly to facilitate self-study at home.

Character and Citizenship Education

Strategic Thrust 4 – Engaged Staff In a Vibrant Environment **Teachers' Day Dedication**

Student All-Round Development

Teachers' Day is a very special day for all teachers. It is a day where they are shown appreciation and are honoured for their dedication and unstinting contribution to the teaching fraternity. In view of the upcoming Teachers' Day Celebration on **Friday 1 Sept 2016**, the school would like to appeal to all pupils to refrain from purchasing gifts for their teachers. We are encouraging pupils to give self-made cards/crafts and write their thank-you notes to express their gratitude and appreciation towards their teachers. Parents may also write notes of appreciation to the teachers. These heart-warming words will inspire and motivate our teachers.

Teaching and Learning

School hour is curtailed on 1 September 2016. **School will end at 1.30pm on that day for all pupils.**

Staff Well-Being and Development

Have a good weekend!

With warmest regards,

Partnership
