## Others

### **Safety Matters**

The school field will be out of bound for pupils during the examination period. It will be reopened on Monday, 8 May 2017.

The school would like to encourage parents to reinforce the following messages at home with your child:

1. Observe all safety rules while playing on the field.
2. Play on the field only when there is a teacher on duty.
3. Do not move any item on the field without teacher's permission.
4. Do not perform any stunts or unauthorised activities on the field.
5. Avoid playing in areas used by the Secondary school students.
6. Do not attempt to retrieve balls that are stuck on the nets. Seek help from personnel in the general office.

Have a good week ahead!

With warmest regards,

---
