An Icon of Excellence: To Value and Be Valued

TPS/16/2017

8th May 2017

Dear Parents/Guardians,

Strategic Thrust 2 – Nurturing Leaders of Character

Kindness Week

In conjunction with the Singapore Kindness Movement Week, the primary 3 and 4 pupils will be involved in designing a “Thank You” card for the SBS Transit Bus drivers as part of their Values In Action Programme. As a gesture of appreciation, these cards will be presented to the bus drivers and the SBS staff by selected P3 and P4 pupils on 15th May at Tampines Interchange. We look forward to your support in ensuring that your child participates actively in this programme.

Cyberwellness Matters

To ensure that our pupils are safe and have positive experiences online, the school would like to encourage parents to reinforce the following at home with your child:

Character and Citizenship Education

1. Seek permission before using any computing devices. This includes downloading any applications on computing devices (including mobile phone)
2. Activate parental controls in all computing devices
3. Exit websites which share inappropriate information
4. Establish ground rules regarding the use of all computing devices
5. Set a time limit for the use of computing devices
6. Navigate the internet with your child to have a better understanding of what he/she is doing online.

Student All-Round Development

Teaching and Learning

Staff Well-Being and Development

Partnership

While we cannot fully protect our children from being exposed to viral contents online, together with the school, parents can play an important role in teaching them how to be more discerning and minimise the negative effects of exposure to harmful content.

LOTUS
SCHOOLS' GREEN
AUDIT
AWARD

The two articles published on Schoolbag.sg encourage parents to have an open conversation with their children about their struggles, including pointers on watching out for signs of anxiety and distress, if any.
