Dear Parents/Guardians,

Strategic Thrust 2 – Nurturing Leaders of Character

Go Green

The school is celebrating Go Green week from 17th to 20th July 2017, with the theme 'Save My World'. The main objective of this school wide event is to raise awareness of the importance of going green and for all to be a caring and concerned citizen for our environment. Waste management and energy conservation are the focus of this event. Level and recess programmes will be carried out in school to educate pupils on the steps they may follow to save the environment. Tampines Primary School will also be partnering with Veolia Singapore and SP Group in its annual newspaper recycling drive and Energy Heroes Mobile Exhibition respectively.

Pupils are advised to have breakfast, be in their PE attire and bring along a water bottle for the Senior Olympics. Arrangements have been made for the school buses to pick up pupils who take bus transport upon dismissal at 12 noon.
