Dear Parents,

### Strategic Focus: Partnership Workshop for Parents

Our annual Workshop for Parents will be held on **Sat 3 Feb 2018 from 9 am to 12.30 pm**. The theme of the workshop is Joyful Learning. The focus is to share with parents some interesting strategies on enthusing their children to create, enjoy learning experiences through exploration and making learning come alive by relating it to real-world context. Through this, we aim to partner our parents in developing their children holistically.

The details of the workshop will be shared with parents during the Meet-The-Parent session and on the school's website, <http://tampinespri.moe.edu.sg/>. Online registration will be open from **19 Jan to 24 Jan**. Please sign up for the session(s) that you are interested in. As it is on a first-come first-served basis, do register early to avoid disappointment. We look forward to seeing you at the workshop.

### North East CDC - NTUC FairPrice Foundation - Get Active for Good Campaign

Organised by North East CDC and NTUC FairPrice Foundation, the campaign aims to raise funds by getting the public to do simple exercises. For every person who participates in this campaign, the organisers will pledge \$10, capped at \$100,000. The school supported the campaign by conducting a mass exercise on Mon 8 Jan 2018. Through the activity, we aim to contribute to the community and encourage our pupils to adopt a healthier lifestyle. The mass exercise was recorded and it will be posted on North East CDC social media platform for publicity.

The public is also encouraged to attend the final event of the campaign which will take place at Our Tampines Hub (Team Sports Hall) on **Sat 20 Jan 2018 from 10.30 am to 12.30 pm**. Join the event with your family members for a great bonding time!

With warmest regards,

Miss Veronica Tay  
Principal
