6 February 2025

ON TO A STRONG START!

Dear Parent(s),

Are you looking for a quality and affordable kindergarten programme for your child?

At MOE Kindergarten (MK), we provide quality and affordable Kindergarten 1 (K1) and Kindergarten 2 (K2) education. We believe that children are joyful, curious, active and competent learners and we are committed to giving every child a strong start. Our holistic curriculum and programmes nurture children's confidence, social skills, bilingualism and build a good foundation in literacy and numeracy.

Our curriculum is developed by MOE's curriculum specialists and trained educators with knowledge and experience in early childhood education. They are also familiar with the primary school curriculum to help your child's transition to primary school. Your child will embark on an exciting learning journey through our two flagship programmes – the HI-Light Programme and the Starlight Literacy Programme for English and Mother Tongue Languages. These programmes focus on the holistic development of children and ignite the joy of learning in them.

We offer Kindergarten Care (KCare) at all MKs should you require full-day service for your child.

We would like to warmly welcome you to the 2025 MOE Kindergarten Open House at **MK@Tampines** located within our primary school's premises, on **15 February 2025 from 8.30 a.m. to 12.30 p.m.** (last walk-in at 12.15 p.m.). During the Open House, you can tour the learning environment, and speak to our MK educators to find out why MK is the choice for quality preschool and why our children love MK.

You may access the links below to sign up for MK Open House and learn more about MK.

We look forward to seeing you!
