Dear Parents/Guardians,

### EDUCATION AND CAREER GUIDANCE (ECG) PORTAL

1. The ECG program from the MySkillsFuture student portal gives an opportunity to equip your child/ward to make informed decisions regarding his/her post primary education. The activities in the portal are meant for your child to explore and think and be curious about their interests, abilities and passion. You and your child can log-on to the MySkillsfuture Student Portal to continue their journey and discover more.

#### How You Can Be Involved

2. You could go through the interactive games together with your child and create an avatar of him/her in the portal. Through this portal, you may explore educational pathways that are beneficial to help your child select secondary schools and chart their path. At the same time, create an awareness of the different range of occupations available.
3. As parents, you play an important role in preparing your child for their future. Do login to the MySkillsFuture Student Portal together with your child to help them learn and discover more about themselves and chart their future. <https://www.myskillsfuture.sg/content/student/en/primary.html>
4. If you have any other questions, feel free to approach your child's teacher.
5. Thank you.

Yours sincerely,  
Mr Saravanan  
HOD CCE Dept
