An Icon of Excellence: To Value and Be Valued

TPS/22/2016

25 August 2016

Dear Parents/Guardians,

Strategic Thrust 1: Achieving Academic Excellence

Semestral Assessment 2

The SA2 schedule and topics to be tested are attached for your reference. We seek parent's/guardian's help in supervising your child's/ward's revision for the upcoming examinations.

If your child/ward feels unwell on the day of the examination and does not turn up in school, **a valid medical certificate must be produced.**

Character and Citizenship Education

As communicated in the letter to parents at the end of last year, the school will arrange for a make-up session **only for P4 absentees who produce valid medical certificates** to sit for the papers they have missed. Their marks will be aggregated towards the SA2 results computation for subject based banding.
