Dear Parents/Guardians,

### **Strategic Thrust 1: Achieving Academic Excellence** **Speak Good English Movement (SGEM) – Speak Well, Be Understood**

National Arts Education Blaze Award 2015

The Speak Good English Movement was launched in 2000 to encourage Singaporeans to speak Standard English that is universally understood. In our efforts to raise awareness of using Standard English to our pupils, the school will launch SGEM Week on next Tuesday, 4 July 2017. Throughout the week, activities in line with the theme will be carried out during English Language periods.

### **Strategic Thrust 2 – Nurturing Leaders of Character** **P5 NE Show**

Student All-Round Development

P5 pupils will be attending the National Education (NE) Show on 2 July 2017 (Sunday). The National Education (NE) Show has been organized to instill a sense of patriotism in students and to bring across the significance of our National Day. The theme for this year is "One Nation Together". Buses have been chartered to bring the pupils to the floating platform for the NE Show.

### **Temperature Taking Exercise: Friday 30th June**

Staff Well-Being and Development

This exercise aims to maintain school's preparedness to re-activate the temperature-taking regime at short notice whenever necessary and to educate pupils to take personal responsibility for their own health and practise social responsibility.

Please help to ensure that your child has a working oral digital thermometer (ODT) by Thursday 29 June and remind them to bring their ODT to school on each school day. Pupils will report to their respective classrooms on Friday 30th June where the exercise will commence at 7.40 a.m.
