Strategic Thrust 3 – Achieving Aesthetics and Physical Excellence

TPS Choir singing at the Arts Fiesta 1 April

As part of the opening celebrations of Our Town Hub (OTH), Pasir Ris Secondary School, in collaboration with Tampines West CC is hosting an Arts Fiesta. This fiesta will be a vibrant showcase of the diverse talents of our students in the performing arts CCA from various schools in Tampines. The main aim of this event is to share the joy of the arts with the residents of Tampines. Our school's choir has been invited to showcase at this platform. Please support the school's choir on **1st April 2017**. The programme for that day will start at 11am and our choir will be performing at around 11.30am. The showcase will be at the Festive Plaza. There will be seats available on a first come, first served basis. Come and enjoy a morning of music and support the TPS choir!

If your child/ward is a Singaporean studying in a government or government-aided school, he/she can use his/her Edusave funds to pay for both approved fees and school enrichment programmes. The Ministry is introducing the Edusave Enrichment Programme Standing Order (Edusave EPSO), akin to the payment of fees using GIRO. With the Edusave EPSO, you will only need to give authorisation once, for Edusave withdrawals from your child/ward's Edusave funds for local enrichment programmes.

We would like to thank all parents who have submitted the one-time Edusave withdrawal authorisation forms. The Ministry will announce details of the roll-out of the Edusave EPSO in due course. In the meantime, the school will still adopt the usual mode of fund collections for co-payment of your child/ward's local enrichment programmes.
