Strategic Thrust 1: Achieving Academic Excellence

Post Go Green Event Write-Up

The school has celebrated the Go Green Awareness Week from 19th to 23rd March with the theme "*Let's Recycle Together!*". The main objective of this school-wide event was to raise awareness of the roles we play as a school community in caring for our environment, especially in the area of recycling. We would like to thank you for your support in encouraging the pupils to recycle newspaper from home for our annual newspaper recycling drive. We had collected a total weight of 1300kg of newspapers. As our nation has declared 2018 as the Year of Climate Action, let us also pledge to take Climate Action and fight climate change!
