Strategic Thrust 1: Achieving Academic Excellence

2018 PSLE Oral Examination

The PSLE Oral will be taking place on **Thursday, 16th August and Friday, 17th August**. All Primary 6 pupils are required to come to school on these two days according to the reporting time given to them. Primary Six pupils are advised to be punctual for their PSLE Oral and be familiar with the details in their Reminder Slips. **All P1 to P5 pupils need not report to school on these two days.** School work will be assigned accordingly to facilitate self-study at home.

Here's wishing our Primary Six pupils all the best as they begin their PSLE!

Strategic Thrust 4 – Engaged Staff In a Vibrant Environment

Teachers' Day Dedication

Teachers' Day is a very special day for all teachers. It is a day where they are shown appreciation and are honoured for their dedication and unstinting contribution to the fraternity. In view of the upcoming Teachers' Day Celebration on **Thursday 30 Aug 2018**, the school appeals to all pupils to refrain from purchasing gifts for their teachers. We are encouraging pupils to give self-made cards/crafts and write their thank-you notes to express their gratitude and appreciation towards their teachers. Parents may also write notes of appreciation to the teachers. These heart-warming words will inspire and motivate our teachers.
